July 3, 2009 (FPRC) -- KEY WEST, FL – Florida's leading tour operator, Best On Key West is enhancing the tourist experience yet again with its Reef Express Key West snorkeling trips. The Reef Express is a powerful catamaran vessel capable of holding 49 passengers. Moving quickly through the ocean, the Reef Express allows for maximum snorkeling time on Key West's gorgeous coral reefs.

The Reef Express transports passengers to the waters of the Gulf of Mexico where they can snorkel amidst living coral and hundreds of exotic sea animals and fish. This a unique Key West snorkel experience because not many snorkeling trips offer easy access to living coral and such a wide variety of ocean wildlife. Passengers can snorkel in two different locations on the reef over a total snorkeling time of two hours, and because the Reef Express moves so fast, the snorkeling time is fully maximized.

"It's not everyday that one gets to hop aboard the Reef Express and snorkel amongst live coral in the Gulf of Mexico, so it is not surprising to us at all that this is one of our most popular tours. From sea turtles to dolphins, to a rainbow of colors - the sights you will see during this snorkeling experience are unbelievably beautiful," says Chris Gardner of Best On Key West.

The Reef Express tours operate between 9:00 a.m. to 12:30 p.m. and 1:00 p.m. to 4:30 p.m., lasting a total of 3.5 hours including an introduction, safety briefing, instructions for snorkeling newcomers and boat travelling time. Tour prices are \$38 for adults and \$22 for children under 15. Infants under 3 can participate in the tour for free. The ticket prices are inclusive of all relevant snorkeling and safety gear as well as complimentary water and sodas. Advance reservations are recommended, as the Reef Express tour sells out quickly.

Key West is a beautiful place for a holiday and tourists from all over the world love the tropical climate and the island's relaxed beach culture. There are several activities to participate in and Best On Key West offers plenty to choose from. However, they do recommend that tourists book accommodation in advance. During the holiday season or other events such as the Hemingway Day celebrations, Key West is bustling with tourists and everything from a Key West inn to the luxury hotels are booked weeks in advance.

"Book your accommodation and your Reef Express snorkeling tour in advance and you will enjoy Key West in a way like never before," concludes Gardner.
