July 21, 2009 (FPRC) -- FREEPORT, BAHAMAS – With snorkeling being one of the most popular and enjoyable Bahamas activities, tour organizers Best On Bahamas are now offering visitors a brand new Featured Tour – the Sensational Snorkeling Sea Safari. The new tour is a unique trip aboard a 72-foot catamaran with on board activities unlike any other.

The Sensational Snorkeling Sea Safari passengers travel aboard the Fantasia, the all-new double deck fully equipped and motorized catamaran, which transports tour participants to pristine dive and snorkel locations in the waters that surround the Great Bahama Island. The Sea Safari is likely to be an unforgettable Bahamas tour because the Fantasia itself is an attraction.

The Fantasia features a 30-foot high rock climbing wall as well as an equally long sliding board enjoyed by adults and children alike. Climbing the artificial rock face gives passengers a panoramic view of the breathtaking seascape ending with a quick slide down into the tropical Caribbean waters. For those not interested in working up a sweat, the Fantasia boasts of enough deck space to soak up the sun and enjoy cocktails.

"The Sensational Snorkeling Sea Safari entertains passengers right from the get go with its variety of exciting onboard activities. Once aboard the Fantasia, its two hours of non-stop fun!" says Chris Gardner of Best On Bahamas.

For the snorkeling enthusiast, the Bahamas snorkeling experience is unlike any other, as the dive location is amongst the reef which includes multi-hued corals, sponges, varieties of fish species and getting up close and personal with many kinds of aquatic life. Amateur snorkelers need not panic because all snorkeling expeditions are supervised by expert and professional staff to ensure maximum safety. The staff is also willing to provide instruction to new snorkelers and children enjoying their first snorkeling experience.

The two-hour Bahamas snorkeling trip is available twice a day at 10:30 AM and 2:00 PM with tickets priced at \$40 for adults and half price tickets for children over the age of 6. Children aged 5 years old and under travel free. Passengers can enjoy lunch on board. The Sensational Snorkeling Sea Safari is available daily, but advance bookings are strongly recommended.

"Freeport is internationally recognized as one of the best diving locations in the world and the Sea Safari tour gives tour participants a taste of this experience. A trip to the Bahamas is incomplete without a snorkeling expedition in Freeport and the Sea Safari is an excellent way to enjoy it," concludes Gardner.
