

Park West Gallery Art Blog Receives Accolades

Rated one of the top art blogs on the internet

September 8, 2009 (FPRC) -- Park West Gallery is pleased to announce that the Official Blog of Park West Gallery, parkwestgallery.wordpress.com, was recently named one of the top 100 art blogs on the internet by Blog Rank. It was also added to Alltop's prestigious "Best of the Best" art blog list.

It was not too long ago that Park West Gallery began expanding its presence on the internet to further its mission of bringing fine art to people across the world. Among other things, this expansion included venturing into the blogosphere.

Park West's blog has evolved into a one-stop shop for art content; it features posts about upcoming exhibitions on a global scale, the latest art world news, daily artist birthday posts, and original content written by the artists themselves. These latest acknowledgements of Park West's blog only further the company's commitment to providing high quality information on the arts.

"Of course we want people to learn more about Park West Gallery and the Park West artists when they visit our blog, but our goal is bigger than that. We want our readers to understand what is going on in the art world as a whole. We want them to become more knowledgeable, and more comfortable with art because fine art is meant for everyone to enjoy," said Albert Scaglione, founder and CEO of Park West Gallery.
