September 21, 2009 (FPRC) -- ROCHESTER, NY – Premier blinds store, Blinds Express is ringing in the fall season with falling prices throughout the e-store. The blinds superstore is offering 25% of all Levolor blinds and an additional \$50 cash back offer as well.

Blinds Express is a leading online retailer of top brand blinds, shutters, shades and other window décor. Blinds Express has experienced a growth in the sales of their products and is therefore offering further discounts to help consumers make affordable purchases during this economic downturn.

"Right now, home owners are choosing to add value and comfort to their properties by making an investment in blinds -- we want to make help consumers stretch their dollars further," says Thomas Williams, Systems Administrator for Blinds Express.

Levolor is a nationally recognized brand of top quality window coverings products. Blinds Express carries a variety of Levolor products including wood blinds, faux wood blinds, Roman shades, roller shades, woven woods, cellular blinds, aluminum blinds, and vertical soft sheer and blinds.

To take advantage of the 25% discount, customers simply need to enter the coupon code 2011 to receive the discounted on Levolor blinds.

Consumers interested in purchasing Levolor products have a further reason to do so -- a \$50 cash back offer. The discount applies when customers purchase three or more custom made Levolor blinds or shades. The offer is valid until December 31, 2009. In order to avail of the offer, customers must mail the rebate coupon (available for download on the Blinds Express website home page) along with the receipt for their purchase by January 15, 2010.

To make blinds more accessible and affordable for their customers, Blinds Express has implemented an easy credit payment method, which allows customers to buy now and pay later. This allows consumers to take advantage of the discount even if they are unable to make a large lump sum payment.

"We understand times are tough for many homeowners, but that doesn't mean they cannot continue to renovate and refurbish their homes. These discounts, combined with our credit payment facility, allows homeowners to purchase blinds without having to feel financially burdened," concludes Williams.
