

## **Mark Houston Announces the Grand Opening of The Mark Houston Recovery Center for Women**

*Mark Houston Recovery is pleased to announce the Opening of The Mark Houston Recovery Center for Women*

September 24, 2009 (FPRC) -- Austin, TX -- Mark Houston, president of Mark Houston Recovery(MHR), the Texas drug and alcohol recovery center responsible for helping hundreds of men reclaim their lives from addiction, is pleased to announce the grand opening of The Mark Houston Recovery Center for Women.

The president of Mark Houston Recovery, Mark Houston, has taken his 19 + years of experience in the field of chemical dependency, combined with his past (and present) rates of success, to open up a facility that specifically caters to the unique needs and issues surrounding drug and alcohol recovery for women.

The MHR Center for Women will officially open on October 1, 2009. The brand new women's center will be headed up by an All-Female staff and will be located in the mansion on the hill. The staff is extremely excited about being able to provide a recovery center for women who want to experience a life of sobriety. Additionally, The MHR Center for Women will feature some of the following:

- High staff-to-resident ratio
- Recovery programs focused on ending enabling behaviors in family members
- Focus on providing a long continuum of care after discharge
- All-Female staff with first-hand experience in dealing with the physical, emotional & spiritual aspects of recovery
- Beautiful, serene setting in the hill country of Texas
- The choice between 30-day, 60-day and 90-day recovery programs
- The MHR Center for Women 12-Month Guarantee

Opening up on the coat tails of an already well-established and successful drug and alcohol recovery center- one which has achieved an excellent reputation in the field of chemical dependence and sobriety and has been lauded by various families, residents and national organizations alike; the staff at The MHR Center for Women are excited to be able to provide women with the opportunity to reclaim their lives from drug and alcohol addiction.
