

## **Gator Engines Teams with Adventure Harley-Davidson**

*Gator Engines is proud to announce an affiliate program with Adventure Harley-Davidson. Gator Engines is a leader in the automotive aftermarket powertrain industry.*

October 22, 2009 (FPRC) -- Gator Engines is proud to announce an affiliate program with Adventure Harley-Davidson. Gator Engines is a leader in the automotive aftermarket powertrain industry.

Adventure Harley-Davidson is a full service dealership serving all your Harley needs. They have assisted Harley enthusiasts and owners for more than 35 years. They have a huge selection of new and pre-owned bikes on display. Adventure Harley-Davidson has over 38,500 sq. ft. of showroom, service and merchandise.

The affiliate program will allow Gator Engines' customers to a new line of transportation parts and options. Being a leader in engine, transmission, and high performance products, Gator Engines' goal is to supply customers with the best products whether it has four wheels or two. Gator feels that it is important to provide their customers with the ability to shop for all their transportation needs in one location. This affiliation with Adventure Harley- Davidson gives Gator the opportunity to achieve this goal.

Gator believes in easing the challenge of finding the best pricing, product quality, warranty and availability. The team is uniquely qualified to exceed their customer's expectations with gas engines, diesel engines, marine engines, performance engines, automatic transmissions and standard transmissions. With this new affiliation Gator hopes to make their customers shopping experience even easier.

Gator Engines specializes in aftermarket powertrain, offering remanufactured and recycled engines and transmissions. Gator also offers a complete line of new high performance units along with a complete selection of marine engines.
