

## **Skyline Las Vegas Launches New Trade Show Booth Accessories For Rent For Las Vegas Conventions**

*Trade show services company, Skyline Las Vegas has announced the launch of several brand new products available for rent in Las Vegas.*

November 24, 2009 (FPRC) -- LAS VEGAS, NV – Leading trade show services company, Skyline Las Vegas Service Center has recently launched a variety of new products which are now available for rent in Las Vegas.

Skyline is a pioneering company in the field of trade show booths and its new and improved range of products bear testimony to this claim. The company put together a team of 20 engineers and designers to create top of the line rental displays for trade shows.

“We have launched a variety of products that are both modern and fully functional. They are designed to ultimately help trade show exhibitors and businesses display their products better. Las Vegas being the central hub for many trade shows, these top quality rental displays will definitely be appreciated by trade show participants,” says Michael Vekich, Executive Chairman of Skyline Exhibits.

Skyline Las Vegas’s new range of portable displays includes a variety of products to complete the entire look. The new products include the Occasions™ Custom Modular Table, Skyline LED lighting, the Envoy™ Modular Exhibit System, the Mirage® Backlit, the DesignView™ Presentation System, the InterFace FLOR® Carpet Tiles, the Myriad® Inline Banner Stand, the Convey™ Information Placard, the Due™ Banner Lights and the Skyline CMH lights.

The company offers a variety of products including often ignored items such as LED lighting and carpet tiling in order to ensure the clients are able to present the best possible booth. The success of a client’s booth at a trade show ultimately reflects on Skyline Las Vegas’s reputation for providing excellent quality products and services.

In addition to providing top quality products for trade show displays, Skyline Las Vegas also provides fully qualified staff for installation and dismantling. The Skyline staff are experienced trade show I&D professionals and are able to efficiently and accurately install and dismantle these new trade show booth accessories. If organizers wish to employ their own I&D staff, Skyline also provides supervisors who oversee the work of the staff as trained professionals. You can learn more about these new items that are available for rent or purchase on their new products page: <http://www.skylinelv.com/New-Products/>

With Las Vegas being a popular spot for national and international trade shows for a variety of industries, Skyline Las Vegas hopes to be able to provide the various trade show participants with excellent quality trade show booths as well as install and dismantle staff.

“Skyline Las Vegas is a one-stop shop for all trade show display needs. From providing excellent quality products to organizing a team made up of skilled I&D staff – we do whatever it takes to ensure the trade show exhibitor, marketer or businessperson achieves maximum success from their trade show booth,” concludes Vekich.

**About Skyline Exhibits Las Vegas:**

As part of the sales and production of North America's leader in exhibit systems, Skyline Exhibits Las Vegas is known for superior manufacturing, cost-effective portability, innovative functionality, exhibitor education and creative design services.
