December 23, 2009 (FPRC) -- Fort Lauderdale - Demon's Cycle Inc., the international custom motorcycle company based in Florida, and Domani Motors Inc., the exotic, sports and luxury automobile dealer, are pleased to announce their recent unique partnership in providing a Rolls-Royce and a custom built motorcycle to a car and motorcycle enthusiast in Dubai.

This isn't the first time that Tom Steinbacher, owner of Demon's Cycle and Michael Ghanem, owner of Domani Motors have teamed up together. As well as their various business partnerships in providing exotic and custom vehicles, they are also known for their unique partnerships with multiple charities and events.

Domani Motors Inc, was recently contacted by a car and motorcycle enthusiast from Dubai and they were able to put him in the car that he has been dreaming of owning; a 2009 Rolls-Royce Phantom Drophead Convertible. Now the proud owner of his new car, the collector turned his attention to getting a new custom motorcycle and here Demon's Cycles provided everything he was looking for.

"As soon as my Rolls-Royce purchase was finalized, I advised Michael that I also collect custom motorcycles and if he had one for me. He then introduced me to Tom from Demon's Cycle, who custom build motorcycles; I have never spoken to someone so knowledgeable about custom motorcycles" said Mr S. from Dubai.

Tom Steinbacher is well known for his unique and extraordinary custom creations, and for being able to build a motorcycle from ground up specifically for his customers. A proposal was made to Mr. S to have a motorcycle built to match his brand new Rolls-Royce Phantom Convertible; he immediately fell in love with the idea and had Tom get to work on a one-of-a-kind cycle.
