

13 New Honeywell Aquatrol AQ2000 Series Controls from DtiCorp.com

DtiCorp.com is introducing 13 Brand New Honeywell Aquatrol AQ2000 Series electronic controls

January 1, 2010 (FPRC) -- Fort Lauderdale, FL - Popular Honeywell online retailer DtiCorp.com (<http://www.DtiCorp.com>) is introducing 13 Brand New Honeywell Aquatrol AQ2000 Series electronic controls. The AQ250 family of AQUATROL Boiler Controls provides simplified, energy-efficient control of single temperature, residential hydronic heating systems. The AQ250 easily converts a single zone heating system into a room-by-room comfort control system, or upgrades a basic, relay-logic zoning system to intelligent Zone of Greatest Demand control for increased energy efficiency with reduced boiler cycling. AQ250 boiler controls can ensure ample supply of hot water for both space heating and priority generation of domestic hot water for bathing, dishes and laundry.

Models available:

- AQ25042B Aquatrol Boiler Control Panel with DHW priority for 4 zones of Pumps or 2-wire valves
- AQ25044B Aquatrol Boiler Control Panel with DHW priority for 4 zones of 4-wire valves (with end switches)

The AQ251 family of AQUATROL Boiler Reset Controls provides simplified, energy-efficient outdoor temperature compensated control of single temperature, residential hydronic heating systems. The AQ251 easily converts a single zone heating system into a room-by-room comfort control system, or upgrades a basic, relay-logic zoning system to intelligent Zone of Greatest Demand control with outdoor reset for increased energy efficiency with reduced boiler cycling. AQ251 boiler controls can ensure ample supply of hot water for both space heating and priority generation of domestic hot water for bathing, dishes and laundry.

Models available:

- AQ25110B Aquatrol Boiler Reset Control Panel
- AQ25142B Aquatrol Boiler Reset Control Panel with DHW priority for 4 zones of pumps or 2-wire valves
- AQ25144B Aquatrol Boiler Reset Control Panel with DHW priority for 4 zones of 4-wire valves (with end switches)

The AQ252 family of AQUATROL Universal Injection/Mixing Boiler Reset Controls provides simplified, energy-efficient outdoor temperature compensated control of single-temperature, residential hydronic heating systems. The AQ252 easily converts a single zone heating system into a room-by-room comfort control system, or upgrades a basic, relay-logic zoning system to intelligent Zone of Greatest Demand control with outdoor reset for increased energy efficiency with reduced boiler cycling. AQ252 boiler controls can ensure ample supply of hot water for both space heating and priority generation of domestic hot water for bathing, dishes and laundry.

Models available:

- AQ25242B Aquatrol Universal Injection/Mixing Boiler Reset Control Panel with DHW Priority
- AQ25244B Aquatrol Universal Injection/Mixing Boiler Reset Control Panel with DHW Priority

The AQ254 Add-a-Temperature Expansion Control Panel is used in conjunction with an AQ250, AQ25A, AQ251 or AQ252 Control Panel. It provides one additional loop temperature control capability for up to 16 zones when used with AQ255 and/or AQ257 zoning panels. It can also be simply used to add up to 16 more zones to the main boiler loop. Mixed loop target temperature is reset by either outdoor temperature or calculated system load based on indoor temperature feedback.

Models available:

- AQ25400B Aquatrol Add-a-Temperature Expansion Control Panel
- AQ2541E0 Aquatrol Add-a-Temperature Expansion Control Panel

The AQ255 and AQ257 family of AQUATROL Expansion Zoning panels work with AQ2000 Boiler Control Panels and AQ1000 Communicating Thermostats to control up to 4 space heating zones (or 8, for the AQ2558P2X Panel). Can be combined with additional expansion zoning panels and an AQ2000 control panel for a total of 16 space heating zones.

Models available:

- AQ25542B Aquatrol Zoning Panel for 4 pumps
- AQ25582B Aquatrol Zoning Panel for 8 pumps

The AQ255 and AQ257 family of AQUATROL Expansion Zoning panels work with AQ2000 Boiler Control Panels and AQ1000 Communicating Thermostats to control up to 4 space heating zones (or 8, for the AQ2558P2X Panel). Can be combined with additional expansion zoning panels and an AQ2000 control panel for a total of 16 space heating zones.

Models available:

- AQ25742B Aquatrol Zoning Panel for 4 valves
- AQ25744B Zoning control for 4 valves with end switches

About Us: DtiCorp.Com (<http://www.DtiCorp.com>) carries more than 35,000 HVAC products, including industrial, commercial and residential parts and equipment from Honeywell, Johnson Contols, Robertshaw, Jandy, Grundfos, Armstrong and more. Our online catalog is easy to navigate and search, and all products have a picture and a description. If a customer has any questions about a product, they can call 800-757-5999 and speak with one of our product experts. Our mission is to offer the best prices anywhere to our customers.
