

Key West Snorkeling Center Offering Special Snorkeling Trips for Key West Cruise Ship Passengers

Key West Snorkeling Tours, a leading center for Key West snorkeling excursions, is currently offering special snorkeling deals to travelers coming to Key West Florida aboard a cruise ship

January 21, 2010 (FPRC) -- Travelers coming to Key West Florida aboard one of the many cruise ships that dock on the island can now take advantage of special snorkeling deals exclusively for cruise ship passengers. Snorkeling trips, ranging from one-stop snorkel trips to snorkel-and-dolphin combo trips, typically last 3.5 hours and allow travelers plenty of extra time to spend walking the historic streets of downtown Key West.

With limited time on the island of Key West, cruise ship passengers can sometimes find it difficult to squeeze a lot in. Key West snorkeling tours are on the top of many travelers' list of things to do while in Key West. To cater to cruise ship travelers, Key West Snorkeling Tours is currently offering specials on some of their best snorkeling trips.

The popular Snorkel Adventure, for instance, is being offered to passengers for the low rate of \$45 for adults and \$22.50 for children. Groups of ten or more can take advantage of an additional 5-10% off, an offer only available through Key West Snorkeling Tours. The Snorkel Adventure runs twice a day, at times that are convenient for cruise itineraries.

Travelers looking for a different kind of Key West snorkeling excursion can try out the twice daily Snorkeling and Dolphin excursions. These trips start off with an unforgettable dolphin journey out to the populous Dolphin Playground in the Gulf of Mexico. This is followed by a stop on the coral reef system for snorkeling and the chance to see the wondrous and teeming world of the coral reef gardens.

For extended Key West stays, Key West Snorkeling Tours also offers the 6-hour Do-It-All and Ultimate Adventure packages, featuring 12 unique water activities including snorkeling, jet skiing, parasailing, kayaking, and much more. These trips are for passengers who want to experience a larger variety of Key West tours and activities.

All of the center's snorkeling Key West tours and excursions depart from downtown Key West, located a short walk or shuttle ride from the three cruise ship ports on the island.
