

## **FunDailyDeal.com Launches New Website Offering Daily Discounts In San Diego And New York**

*FunDailyDeal.com recently launched a new website to provide the deepest discounts in San Diego and New York. By negotiating volume discounts, FunDailyDeal.com delivers a special deal daily for a variety of exciting activities.*

January 25, 2010 (FPRC) -- SAN DIEGO, CA – Online discount provider, FunDailyDeal.com, recently announced the launch of its new website to offer rock bottom prices and coupons in San Diego and New York. Featuring one special deal daily in each respective city, FunDailyDeal.com delivers deep discounts in San Diego and New York by negotiating volume discounts with business owners.

With the motto 'Take Charge of Your Buying Power,' FunDailyDeal.com empowers users with the resources needed to take full advantage of the lowest prices possible.

"FunDailyDeal.com's user-friendly site design, witty deal of the day write-ups, and incredible savings make users excited to see what's new every day. By creatively negotiating volume discounts on our customers' behalf, we are able to provide the best deals in New York and San Diego," says Shane Murphy, Developer of FunDailyDeal.com.

By simply registering for free to become a Fun Daily Dealer, users have access to purchase the website's featured deal of the day. If the number of interested users meets or exceeds an agreed upon, pre-determined, minimum number of customers required by the business featuring the deal, then users can take advantage of significant savings.

In addition to residents of San Diego and New York, FunDailyDeal.com is also an appealing promotional solution for business owners. Businesses can list their promotion on the website for free, reach thousands of interested potential customers, and receive free marketing and advertising of their products and services.

"Put simply, we are offering an innovative platform to connect residents with the hottest deals in the area. Our fun, outgoing approach to bringing amazing deals from local businesses to community members keeps our customers coming back for more," concludes Murphy.
