

New Online Dating Site Sweet-partners.co.uk Launched

Sweet-Partners is a online global dating site for singles to find friendship, love or a soulmate online. We have a large membership database of personals for you to browse and connect with.

January 27, 2010 (FPRC) -- Sweet-Partners has announced the launch of sweet-partners.co.uk. The online dating site enables you to chat live one on one with other members using our instant messaging software. Our multimedia enabled profiles really allow you to express yourselves. Upload Photos, Video and Audio clips.

January is traditionally a busy month for dating sites as many people make New Year's Resolutions to find a partner.

Members anywhere can find dates either in their own town or anywhere in the world as this platform is a popular collaboration spot for those looking to find their soul mate, friend or even love. The owner of Sweet-Partners.co.uk says " it is a step above all the other online dating sites. With advanced interactive tools, it not only makes meeting other singles safe and enjoyable." Each profile added to the dating site is vetted, that means only genuine profiles are updated to sweet-partners.co.uk.

Create a free profile and browse our database of member contacts. This is absolutely free and you can join today .Once you join browse our vast member database and get ready to begin making connections. Send messages to profiles you like, chat live one to one with them using our instant messenger service and create your own gallery of profile images.

Also on sweet-partners.co.uk dating site is a blog with all the latest profiles, ideas for Valentines Day, a book shop and safe dating advice, which helps you to keep yourself safe before and during dating, with do's and don't ideas.

On the online dating site there is a link to connect with our slightly larger dater, this has been named BBW, which is the cuddlyandbeautiful.co.uk dating site, this site has become very popular with slightly large men and women.
