

## **30 Spoke Wheels Fashion Accessories Hit the Streets With New Texan Wire Wheels™ And SlabCulture.com™ Partnership**

*The unmatched wire wheel aftermarket manufacturer, Texan Wire Wheels™ and custom clothing and accessories designer; Slab Culture launches official slab fashions and accessories line for Slab Riders.*

January 28, 2010 (FPRC) -- LOS ANGELES, CA - Texan Wire Wheels™, LA's premier source for car wire wheels, has formed a joint venture with Slab Culture to offer slab riders official slab fashions and slab accessories that compliment Texan Wire Wheels' 30 Spoke wheel rims.

For those who demand to ride in style, Los Angeles County based Texan Wire Wheels™ and Slab Culture now offer slab fashions and slab accessories for men, women and kids, and products for your ride such as air fresheners.

One can easily shop online for the entire family from the comfort of their own home at SlabCulture.com. It helps in saving an unprecedented amount of money and time that are usually wasted in looking for traditional malls and stores in one's area. And lets not forget the most important reason for shopping -- fashions and accessories that compliment your Texan Wire Wheels 30 Spoke wheels.

Offering a better chance of finding and selecting what you desire, SlabCulture.com paves way for making easy online shopping for slab riders. The freedom to browse through the website and product selections to your heart's content facilitates in making endless and effortless selections for slab riders.

With its focus on production of custom slab fashion designs and slab accessories for Texan Wire Wheels, Slab Culture also offers a Premium Club Membership. The benefits for a paid Premium Club Membership are definitely worth the subscription. Slab Culture Premium Club Membership offers paid members a multitude of benefits such as discounts on any Texan Wire Wheels product and free or discounted tickets to Texan Wire Wheels, Slab Culture and affiliates exclusive events, to name a few.

About Texan Wire Wheels:

Texan Wire Wheels™ is a Beverly Hills-based, family-owned and operated business specializing in 30 Spoke wire wheels. Although the firm's production facility is based in California, it services all 50 states across the country with its 100% American made wheels.
