Travelers heading to Key West in the first part of this new year can continue to take advantage of one of Key West's best deals: for just \$119, guests can go on the multi-activity Ultimate Adventure tour and also add on a complimentary sunset cruise

January 29, 2010 (FPRC) -- Last fall, visitors to the sunny tropical island of Key West Florida were able to go on the 6-hour Ultimate Adventure tour for the discounted rate of \$119, with the option of adding a completely complementary champagne sunset sail. Now, Key West visitors can take advantage of this great deal once again. From the beginning of the new year through February 12th, guests can enjoy activities offered aboard Key West's most popular and all-inclusive tour, the Ultimate Adventure.

The Ultimate Adventure is the best way for Key West tourists to sample the largest variety of Key West tours and activities. Passengers on board the tour are given the chance to try out jet skiing, Key West snorkeling, parasailing, kayaking, banana boats, the iceberg slide, water-boarding more.

The trip departs Key West at 10AM and does not return until 4PM, giving passengers a full 6 hours in which to enjoy the Ultimate Adventure. A tasty breakfast is served on the way out to the first stop: the Key West coral reef ecosystem. Here, guests can enjoy Key West snorkeling in the country's only living coral reef system.

After the snorkeling, the trip takes you out to the Gulf of Mexico, where passengers get to enjoy hours of activities in the warm, calm waters of the gulf. Lunch is provided with water and soda available at no additional cost throughout the day. At the end of each guests' activities, those who are 21 and older can enjoy complimentary beer and wine.
