

New Location Revealed for Wedding Vows at Lake District Hotels

The Wedding Fayre held at Inn on the Lake, Glenridding surprised potential brides by announcing the hotel can double their capacity and revealed one of the prettiest new locations to exchange vows.

February 3, 2010 (FPRC) -- Over 150 brides travelled to Inn on the Lake from London and the South coast, to attend their most spectacular wedding fayre. In the hotel grounds a huge marquee was launched as a new venue that can be hired for weddings in the gardens - to accommodate up to 200 guests.

Inn on the Lake General Manager Gary Wilson said "The views from the hotel are renowned so it is the perfect place to have a lakeside wedding, with the new Gazebo licensed for civil ceremonies and the wedding marquee".

Brides stepped into the marquee which revealed a taste of how it could look on their wedding day with fantastic table settings, a chocolate fountain on display and unspoilt views down the to lake. This was also the venue for the fashion show which included three Penrith wedding specialists - Tilly's for Mother of the Bride outfits, Edwards for Menswear and Kokoa Brides - Cumbria's newest Bridal house which opened in Penrith last week.

There was however, one exhibit that wowed brides to be, even more - the new 'Victorian style' gazebo set in the garden close to the water's edge. Beverley Kelso, Wedding Co-ordinator at The Inn on the Lake part of the Lake District Hotels Ltd group said "It is a unique place to exchange vows in one of the prettiest settings in the Lakes and allows us to stay one step ahead of other venues. It has already become THE Lake District weddings venue of choice for brides who have booked to get married here this summer and is set to entice many more in the coming months. We already have one of the most photographed jetties in the country - a fantastic place for stunning pictures, and now, our brides can marry outside in the gazebo, overlooking the lake, the jetty and the mountains. There is no other place like it in the whole of the Lakes."
