February 3, 2010 (FPRC) -- Irvine, California February, 2010 – Laughing My Tail Off LLC will be exhibiting at the Global Pet Expo in Orlando, Florida at the Orange County Convention Center March 25-27. Laughing My Tail Off LLC will be featured as a new exhibitor adjacent to the new products area in booth #3849. Be sure to stop by the booth and ask about the Barker's Dozen show special.

Our team is very excited to introduce the Spring 2010 line of patent pending, drag and tangle free, functional, stylish Laughing Leashes™ at Global Pet Expo. The Laughing Leash™ is available in 2 sizes, extends from 2 feet to 6 feet, has a cushioned handle, and is available in unique fabrics. The innovative construction reduces tension on the dogs neck and prevents the leash from dragging on the ground and getting caught in the dogs legs. Most users say their dogs walk better with the Laughing Leash™ and never go back to traditional nylon leashes or retractable leashes. The Laughing Leash™ is the leash you always wanted but never thought existed.
