

MyTarp.com Offers Wide Selection of Poly Tarps Including Custom Sized Poly Tarps

Online tarps superstore MyTarp.com offers a wide selection of poly tarps including economy, heavy duty and super heavy-duty poly tarps in a variety of colors and weights.

February 19, 2010 (FPRC) -- Marietta, GA -- MyTarp.com, an online superstore that sells tarps, offers the largest selection of poly tarps available on the internet.

Better than plastic at providing a waterproof covering, poly tarps are resistant to rips, tears and mildew. Poly tarps can also stand up to the elements with superior cold weather performance, flexibility and built-in UV protection .

The varieties of poly tarps available include economy poly tarps in blue, brown and brown green colors. Economy poly tarps are ideal for landscaping, camping or any other places where tarps are needed as a temporary or short-term solution.

MyTarp.com's heavy-duty poly tarps include silver, white, and special purpose flame retardant and yard poly tarps. Heavy-duty white tarps are normally used for roofing, woodpiles, trailer and RV covers. A super heavy-duty silver black poly tarp is a great choice for tent walls, equipment covers or anywhere a durable, long-term solution is needed.

All of MyTarp.com's poly tarps feature rope reinforcements along the sides and rust resistant grommets on four corners and along all sides. Poly tarps come in a variety of strengths and colors, as well as a multitude of sizes. Most stock tarps ship within one to three business days, and can be ordered in cases at a discounted rate. Some of the tarps are imported, while many others are Made in USA.

"Since we manufacture tarps, we are able to provide any custom size of poly tarp in a variety of weights made to the customer's specifications. We can provide a personal quote within one business day on all custom ordered poly tarps," said Steve Gao, Customer Service Manager of MyTarp.com.
