February 20, 2010 (FPRC) -- Rodeo and Maddie, the company hounds, are helping us launch affordable and quality pet products with the opening of Love Your Dog Food website's new online store, Barkin' Bargains. Pampered pet owners everywhere love to spoil their pets and Rodeo and Maddie think that all pets should be super loved and spoiled.

With this idea in mind, Barkin' Bargains has put together a store for it's furry friends to eliminate the high pet product and pet supply cost. Every pet parent should be able to pamper and spoil their furry friend at an affordable price. Barkin' Bargains is making every effort to bring supplies for every occasion and at a low cost to you and your pampered pooch.

The owners of Love Your Dog Food especially loves dogs but welcomes all critters in for a visit. The goal is to provide both quality and affordable pet products that will meet every pet's nutritional and health needs with quality pet foods, pet treatments and much, much more. Rodeo and Maddie want to be sure and mention that there is lots of fun stuff too like pet toys and treats.

The products are high quality pet products but are easily affordable to spoil your furry friend rotten. Love Your Dog Food website also offers information on pet care, pet health, pet nutrition, pet food, grooming and everything dog. Sign up for e-mail price special updates and a newsletter. Maddie and Rodeo are looking forward to lots of new pet parents and furry friends stopping by Barkin' Bargains.
