March 3, 2010 (FPRC) -- Designs N Gold, a Hawaii based fine Hawaiian jewelry manufacturer and online retailer, announced today that it is now offering to its clientele Hawaiian Wedding Lithograph Certificates by renown Hawaiian island artist, Shayna Baecker Magid.

Shayna Baecker Magid was born and raised in Honolulu, Hawaii. A graduate of Punahou School, and Colorado State University, she taught photography and art at many Hawaii schools including Iolani, Molokai High School, and The Honolulu Academy of Art. Shayna moved to New York in 1989 and soon after began her career in Ketubot the ancient art of the illuminated wedding contract. Inspired by artists Maxfield Parrish and Paul Jacolet, Shayna often produces romantic images in her lithographs that speak of stories from days gone by. Using acrylic paint and combining airbrushing with hand-painting, she fills her compositions with the light and beauty that is Hawaii.
