

## **CF Swords Announces New Affiliation With StarWarsShop.com For Star Wars Lightsabers For Sale**

*Starting on March 10th 2010 CF Swords now offers the entire catalog of exclusive Star Wars merchandise in addition to the massively popular Force FX Series of lightsabers for sale.*

March 12, 2010 (FPRC) -- Sword and weapon enthusiasts that collect everything from authentic samurai swords of old Japan to medieval swords of historical Europe as well as more modern made fantasy, video game, movie and anime swords for sale, have a new source to purchase quality weapon replica items such as Star Wars Lightsabers for sale directly from StarWarsShop.com through the CF Swords website.

After expanding the CF Swords product line to include the popular Force FX Series of Star Wars Lightsabers for sale, CF Swords has partnered directly with StarWarsShop.Com to offer the latest releases to its visitors which not only include the new Asajj Ventress Force FX Saber from the popular Star Wars Clone Wars television series and the new Count Dooku Force FX Saber from the latest film trilogy but their entire inventory of officially licensed Star Wars merchandise including all collectibles, toys, clothing, costumes, posters and literally thousands of other Star Wars products. StarWarsShop.com has the largest selection of Star Wars exclusive merchandise that cannot be found anywhere else and it is now entirely available through the CF Swords website.

This newest partnership is just the latest addition, and CF Swords has plans to partner with many more companies to assist in expanding its product line for the many loyal repeat website visitors.

CF Swords has dedicated itself to its customers by providing them with the largest selection and the finest quality swords and weapon collectibles at the lowest possible prices including the newest Star Wars Lightsabers for sale.
