*Green Amethyst, Emerald and Peridot gemstone jewelry, cross pendants and earrings commemorate favorite spring holidays*

March 15, 2010 (FPRC) -- Lauren Klein Jewelry, a leading online retailer of women's jewelry, personalized jewelry and diamond necklaces has unveiled new collections for the upcoming Spring holidays: crucifix jewelry in a variety of styles for Easter, and clovers and green gemstones to commemorate Saint Patrick's Day.

"Springtime brings two of the biggest holidays of the year. For so many people, Easter and Saint Patrick's Day are meaningful occasions, and jewelry has always been a wonderful way to commemorate holidays and traditions," says Sarah Leight, manager of Lauren Klein Jewelry. "We're proud to sell high quality pieces that reflect timeless traditions while being in step with the hottest, most current jewelry trends."

The crucifix is the most enduring symbol of the Easter holiday, most popularly worn as a pendant. Lauren Klein's wide selection of crucifix jewelry includes men's and ladies' diamond and gold necklaces and earrings featuring crosses in a variety of styles. A popular item this year is the vibrant multi-color white gold cross pendant, which features garnet, amethyst, peridot, citrine, and blue topaz, all set in 14 karat white gold.

The "wearing o' the green" is an indelible St. Patrick's Day tradition which Lauren Klein is celebrating this year with a special collection of green gemstone and clover-inspired jewelry. The natural colors of emerald, amethyst and peridot gemstones elegantly evoke the spirit of the Irish and feature in a variety of diamond-studded necklaces, rings and earrings.

The clover, or shamrock was introduced by Saint Patrick as a symbol of the Holy Trinity, and has become a universal emblem of the Ireland and its people. The Saint Patrick's Day collection features clover-shaped diamond necklaces in 14 karat yellow, white or chic rose gold. The jeweler's "Rose Gold and Diamond Clover Monogram Necklace" makes an especially unique personalized gift.
