

Lovebirds, Doves and Songbirds Highlight 2010 Spring Wedding Favors

Brides planning a spring wedding celebration can browse the new 2010 spring collection from Favors In The City by Party City.

March 16, 2010 (FPRC) -- Favors in the City, the online retail site for Party City's dynamic collection of wedding favors and baby shower favors, introduces the company's 2010 spring wedding favors showcasing lovebirds, doves and songbirds heralding the season's return.

Feathered friends are featured in a variety of favor styles, which include "Love Birds in the Window" Ceramic Salt & Pepper Shakers, "Our New Nest" Bronze-Finish Metal Tea Light Holder, "Sweetwater Park" Bird Bath Place Card Holder, "Love Songs" Birdcage Tea Light Holder, "Love Dove" Scented Soap and the "Lovebirds" Icon Favor Box.

"For so many of us, the first sign that spring is just around the corner is the chirping of birds we haven't heard for months. It's only natural for birds—an international harbinger of spring—to be a favorite icon for wedding favors, and we want to give our brides lots of beautiful choices," says Favors in the City merchandising and site maintenance manager Brooke Plott.

The new favors for spring are a part of dozens of new favors for all seasons in 2010. The company's recently launched favors also include several thirst-quenching, spring-and-summer specialty drink mixes in colorful gift-packaging to enhance reception tables. Flavor choices are "Main Squeeze" Lemonade Mix, "Razzle Dazzle" Raspberry Iced Tea Mix and "Mix & Mingle" Key Lime Margarita Mix.
