

Travel En Vogue Launches Summer Rates for NEW Clubs: Aspen, Lake Tahoe, Punta Mita

Summer Rates are in for NEW Residence Club Destinations!

April 2, 2010 (FPRC) -- Travel En Vogue has added new clubs to its collection this year! Ritz Carlton Residence Clubs Aspen, Lake Tahoe Northstar and Four Seasons Residence Club Punta Mita are new additions to Travel En Vogue's destination collection. The summer season is approaching with new locations and new rates!

"Most people think winter vacation when they think of Aspen, Lake Tahoe, or Punta Mita," says owner Jerry McCarthy. "But the truth is, there are just as many – if not more - fun activities in Aspen or Lake Tahoe in the summer. Plus, the rates are much cheaper!"

Most people who vacation in Aspen or Lake Tahoe during the summers are couples and families who love outdoors activities like hiking, horseback riding, boating, biking, white water rafting and more. Many also come for the world-renowned FOOD & Wine Classic, Aspen Music Festival, and Lake Tahoe Music Festival. Surfers and beach lovers typically visit Punta Mita for some R&R in the summer months.

Travel En Vogue has just launched new summer rates, discounted at 30% to 60% for Ritz Carlton Residence Clubs Aspen, Lake Tahoe, and Four Seasons Residence Club Punta Mita! For more information, please visit us at www.travelenvogue.com
