

New Book Challenges Infamous Marital Prediction Techniques

Author Proposes Spiritual Wildcard That Can Change The Course of Any Marriage

May 7, 2010 (FPRC) Richmond, VA – Promise Road: Walking through the Process that Manifests the Promise is a new book written by contemporary Christian author, Letetia Mullenix. Promise Road offers its readers a fresh approach on awaiting the promises of God during difficult seasons. The book chronicles the season in the author's life that God used to manifest His promise for personal and marital restoration. While imparting biblical insight regarding the promises of God, Promise Road offers hope to all who stand in need of restoration. Through personal admissions and revelations, the author shares her inspiring testimony, devastating failures, and triumphant victories regarding several long and very personal trials in her marriage, and addresses several key questions that deal with marriage, faith, forgiveness, emotional healing, and inner development. The author's second book, Promise Road: The Study Guide is also available for purchase. The Study Guide offers readers an opportunity to seek a deeper revelation from and relationship with the Lord through prayer, self-examination, scriptural application and biblical meditation.
