

Arcade 2 Go Changing Future of Mobile Multiplayer Gaming

Arcade 2 Go "BRINGS IT" to the New York Tri State Area, making birthdays, school events, grand opening, or any large event EXTREME!

June 15, 2010 (FPRC) -- Arcade 2 Go introduces a revolutionary gaming experience they call "mobile gaming". No, this is not for your mobile phone; Arcade 2 Go "BRINGS IT" to you. Mobile gaming is the future or entertainment for all occasions. The Arcade 2 Go mobile gaming theater offers games for all ages, boasting hot new titles like Call of Duty Modern Warfare 2, Super Smash Brothers Brawl and Halo 3, as well as old favorites like Dig dug and Super Mario Bros. It's no surprise that both, parent and kids are buzzing about Arcade 2Go.

Redefining "In your house" entertainment, this mobile gaming system can be set up nearly anywhere. From homes, parks, public, and private events, Arcade 2 Go works with their customers to make sure each event is given special care. The Arcade 2 Go climate-controlled Gaming Theaters accommodate up to 16 players at once in the interior, and up to eight more players participating along the exterior. Complete with surround sound, rumble seats and an optional Arcade 2 Go twelve foot projection gaming system designed to accommodate an extra 8 players, this mobile gaming experience is guaranteed to be like nothing you've ever experienced. But is it affordable? The answer is a resounding yes! Arcade 2 Go offers this remarkable, quality service at a price that won't break the bank. A2G's pricing models are customer specific and the average event is between 2 and 3 hours. These custom models are based on location and duration, but they are all reasonably priced. They even offer special packages for larger events such as Day camps, Grand Openings, Media events, Fundraisers etc.

In addition to the remarkable service offered to their customers, their friendly, professional staff are well trained and helpful. Cancellations and rescheduling is a simple affair and the customer reviews are glowing! This is one of the most striking things about this service. Even though it's a relatively new service, they're already providing world class services and because of this customer satisfaction is through the roof.

Arcade 2 Go's mobile gaming service is something you have to see to believe. They are definitely ahead of the curve and it's a pretty safe bet that this type of service is likely to catch on quick. Arcade 2 Go are pioneers in the gaming and entertainment industries and with world class services like these their only going to improve with time.
