

## **Similarities Between World of Warcraft Remote Auction House And 3G.wow-gold-team.com**

*World of Warcraft Remote Auction House is open to all players and the 3G.wow-gold-team.com put into use too. Both of them bring world of warcraft players free and convenient services.*

June 26, 2010 (FPRC) --Last week, Blizzard announced the start of the beta testing stage of its newest addition to the Armory, the Remote Auction House. Now the final version is launched, all players can be able to browse the Armory and check on the status of their personal auctions.

The Remote Auction House can be accessed via web or mobile, and allows players to browse both their faction and the neutral Auction House for free. Also accessible for free is the ability to set up real-time notifications when auctions are won, lost, sold, or expire, plus the ability to view a character's current gold, auction status, and inventory. Players can browse auctions, get notifications on when their items sell, and view the status of their pending auctions for free. Anything more than that, is going to cost you.

3G.wow-gold-team.com is also a free cellphone website for you to buy wow gold. You can log on 3G.wow-gold-team.com to see whether there are storage or not. Actually there is never short of storage situation. You can order wow gold no matter how much you want. You just pay for wow gold, no other additional fee. Additionally, there are gold of other games except world of warcraft for you to order.

Playing World of warcraft involves paying a monthly fee which varies from \$11 – \$15 depending on the plan you choose. To access the Remote Auction House you have to sign up for an additional \$2.99 per month. Some players may not want to pay but get to save a buttload of game time by taking care of auction house stuff while away from pc. (at work anyone?) Totally worth it for you. You can really work the auction house tasks without rushing and save your home game time for more fun things. Especially, this feature is still useful for some people who is in fact running a "trading company" in the game

3G.wow-gold-team.com is also the same service invented in order to save your time. Think about how much time you had been wasted in waiting the wow gold which you had brought from the wow gold seller. How many times you have been disappointed when you wanted to buy wow gold after work but they were out of supply. Now 3G.wow-gold-team.com is coming to help you. Wherever you are, whenever you are, whatever you are doing, you only just take one minute to log on 3G.wow-gold-team.com, wow gold will be waiting for you on your PC. WGT is the professional wow gold seller, the fastest, the safest and the cheapest in this industry.

3G.wow-gold-team.com and World of Warcraft Remote Auction House are both good service for you in World Of Warcraft. 3G.wow-gold-team.com is a free and fast service for you to order the wow gold. World of Warcraft Remote Auction House is free for you to view the situation on your personal auction. The purpose of both are to save your time and have more fun in world of warcraft.

Enjoy the convenience and good service, please visit WGT Online for more details.
