August 2, 2010 (FPRC) -- Jason Montello, a licensed real estate salesperson for Real Estate Executives from Staten Island NY, is pleased to announce the opening of his ground breaking website buyhomesinny.com

Jason Montello is not only a Real Estate agent. He is a friend to the community. He has helped with not only volunteering his time with designing a number of websites for religious organizations, but also his participation in helping the needy by working in soup kitchens as well as organizing a number of charity events around the new york area.

'As your agent, I will work my best to help you find what you are looking for.'

Jason's website has a number of related topics, to help you get to know the Staten Island, Brooklyn and Manhattan area. Jason also is very experienced with the relocation of family to the NYC area. he has the knowledge to make your move as simple and inconvenient as possible.

So if you are looking for a home or business in the Staten Island, Brooklyn, or Manhattan area. 'I will be here for your search!'

Jason also specializes in commercial land, as well as property management. (for those individuals, who wish to buy a home or business in the city but does not want to move to NY)

Please feel free to contact Jason anytime, so that a friendship can be made.

Jason will also help those that want to sell their homes or business without dealing with an agent. Jason will take the time, out of his schedule to personally come to your home and give you a FREE comparative market analyst that will show you what your home is worth. he will sit down with you and teach you step by step, on how to market your home with out an agent!
