

## **LDNZ Promotes a Special Free Website Voucher**

*Special Voucher for Free Web site(CONDITIONS APPLY). Special voucher which will give you FREE 5-6 page custom designed website.*

August 14, 2010 (FPRC) -- Logo Design New Zealand (LDNZ) is promoting a special voucher for FREE website design. You can get a FREE 5-6 page website custom designed with basic SEO and discounted services. This special discount voucher is promoted by LDNZ for as a budget option for new start up NZ businesses to establish their own line presence

We are on top of Google being the Number 1 Logo Design Company in New Zealand. Logo Design New Zealand wants to bring our graphic design services within reach of new and small business companies who cannot afford exorbitant prices charged by major Graphic design companies

Though we are offering FREE website but we are in no way compromising on quality of the website. Each website will be custom designed and developed according to the respective business requirements and branding

Our graphic design team will also advice you on how to organize and develop your branding and advertising campaigns so that we can promote your company or business in a successful manner through SEO.

LDNZ can help to coach, guide and help you with SEO consultation to get you a good search engine ranking which will in turn fetch excellent business for your company.

This is excellent opportunity to get to know us better and help your business to grow and expand.

The main purpose for this voucher is to give an initial platform to small business to build a website without exorbitant expenditure. WE give customized web design and CSS coding with SEO to give initial online platform to even those traditional businesses who dont feel need to go online but in future would need to create business through internet marketing.
