

Randy Blankstein, President of the Boulder Group, to Speak at Interface Net Lease Conference

Triple Net lease Industry Expert Randy Blankstein to Speak on Impact of 1031 Exchange Market on Single Tenant Properties

August 30, 2010 (FPRC) -- Randy Blankstein, President of national single tenant net lease advisory firm The Boulder Group, will be a featured speaker at the Interface Net Lease Conference in New York on September 23rd. He will be heading a panel discussing the impact the 1031 exchange market has on the demand for single tenant net leased properties.

France Publications and its InterFace Conference Group will bring together all of the leading players in the net lease, 1031 and sale leaseback markets for InterFace Net Lease, a national networking conference in New York City on September 23rd (cocktail reception to be held the night before on September 22nd). Organized by InterFace Vice President Rich Kelley, who has produced national net lease conference events for more than 10 years. InterFace Net Lease is produced by France Publications, the leading publisher of commercial real estate news and information in the United States. France Publication titles include Heartland Real Estate Business, Texas Real Estate Business, Southeast Real Estate Business, Northeast Real Estate Business, Western Real Estate Business, Shopping Center Business, and Student Housing Business, along with five other commercial real estate-oriented magazines and numerous Web sites and E-newsletters.

About The Boulder Group

The Boulder Group is a boutique investment real estate service firm specializing in net lease properties. The firm provides a full range of brokerage, advisory, and financing services nationwide to a substantial and diversified client base, which includes high net worth individuals, developers, REITs, partnerships and institutional investment funds. Founded in 1997, the firm has participated in the acquisition and disposition of more than \$1.1 billion of net lease real estate transactions through several real estate cycles. The firm's internet address is www.bouldergroup.com
