September 1, 2010 (FPRC) -- Today, Moore Smiles, a Garner Dentist Office, officially announced the launch of their new website, moresmilestoday.com. The website provides information about the services offered at the family dentist office, as well as providing information about the staff and driving directions.

The new website for Moore Smiles has a number of sections, including a Smile Gallery, which provides before and after pictures of patients who have received some of the services offered at the family dentistry. Moore Smiles new website also offers the chance to win a Free Teeth Whitening, by completing an online form. Winners will be notified via E-mail.

George, who was involved with the development of the Moore Smiles website, said, "I am very pleased with the look and feel of the website. I think that it makes it very easy to learn more about what types of procedures are performed at Moore Smiles, as well as learn a little more about the terrific staff. I am especially excited about the news section, because I think it is a great way to let patients, as well as friends and family, keep track of what is going on at Moore Smiles."

In addition to a services section, the new site also has a section for company news, such as recent contest winners or information about the local office. This allows visitors to learn more about the workings of Moore Smiles, such as
