

## **Pearl Iridescent Monogrammed Napkins Are The New Top Seller, Reports GiftsIn24**

*Giftsin24, a 40-year-established personalized stationary and monogramming company, reports that new Color Mist technology embossed napkins have quickly risen in the ranks to become the top selling personalized party napkins among its customers.*

January 18, 2011 (FPRC) -- AURORA, IL -- After 40 years in the personalized stationary and monogramming industry, the folks at GiftsIn24 have seen their fair share of trends -- the newest of which they report is the Color Mist embossed napkin.

After the recent introduction of the pearl iridescent Color Mist monogrammed napkins in late 2010, the collection quickly became the company's best selling personalized party napkins.

Giftsin24 created Color Mist Napkins with a revolutionary new technique of color embossing. The iridescent monogramming is available in nine pastel colors, four of which have a pearl gloss and five have a matte "tint" finish. Shimmery embossing colors of vanilla pearl, bloom pearl, seafoam pearl, moonbeam pearl, and bloom pearl bring a rich look to an otherwise plain napkin.

The napkin itself is available in 27 different traditional and exciting colors such as white, ivory, gray, gold, sage, burgundy, red, terracotta, orange, yellow, mimosa, pistachio, citrus, emerald, hunter, teal, navy, true blue, bright blue, Bermuda blue, pastel blue, purple, lilac, lavender, magenta, candy pink, and classic pink. While GiftsIn24 offers suggestions for color pairing, party planners can choose any combination of napkin and embossing colors to enhance their event design.

"Our new Color Mist Napkins are truly beautiful and make an elegant statement of taste at events and special occasions," said Dustin Baker of GiftsIn24.com. "Our customers say their guests want to take them home as a keepsake!"

The exclusive Color Mist collection of personalized wedding napkins and party napkins are only available through GiftsIn24.com.
