

## **Sash Window Company, Kingsbridge Joinery, Launch New Website.**

*Kingsbridge Joinery are delighted to announce the launch of their new website. The website features case studies of bespoke window and doors installations, showhome scheme and product range.*

March 22, 2011 (FPRC) -- Kingsbridge Joinery are delighted to announce the launch of their new website. The website features case studies of bespoke window and doors installations, showhome scheme and product range. The new website shows examples of the range of Kingsbridge products available to home-owners, architects and all those in need of a joinery supplier.

### **Case Studies.**

Case studies of wooden windows and doors installations undertaken by Kingsbridge can be found on the website. These case studies will be added to continuously to demonstrate to potential customers, the care and understanding afforded to Kingsbridge clients within all stages of the install process, from planning through to finishing.

### **New Product Range.**

The website launch coincides with the launch of the New Kingsbridge Range of Energy Efficient Wood and Aluminium-Clad Windows & Doors. This range can be manufactured in a range of timbers from Redwood to Hardwood and even Oak. All timbers are responsibly sourced and finished with environmentally friendly paint finishes, which make wood the truly 'natural option'.

### **UK Showhome Scheme.**

The Kingsbridge showhome scheme, also featured on the website offers savings of up to 10%. This scheme ties in with the expansion of Kingsbridge Joinery throughout the UK.

'In an effort to continue our UK expansion we will appoint a number of select agents to provide our products and build a network of committed service teams throughout the country' said Mr David Geraghty , Managing Director.

David invites you to view the new website at [www.kingsbridgejoinery.co.uk](http://www.kingsbridgejoinery.co.uk)

### **About Us**

Kingsbridge is a bespoke joinery supplying a comprehensive range of timber sliding sash windows, casement windows, bespoke internal doors, customised grand wooden entrance doors to the individual home market all over the UK.
