

## **New Book Tinnitus Miracle Thomas Coleman - A Health Care Miracle?**

*Thomas Coleman releases book. Having battled Tinnitus for 14 years and with strong research he came up with a 5 step method for curing tinnitus.*

March 25, 2011 (FPRC) -- Living with noise in your head is not something to laugh at. For people living with this noise, or Tinnitus as it is called, it could be very annoying. These sounds can be similar to buzzing, clicking, humming, whistling and ringing in the ear.

Many with Tinnitus seek help for curing it daily. Some sufferer's say medicine and therapy only seem to help temporarily and they would like to find a permanent cure. Currently, one man says he can help. Thomas Coleman, the author of Tinnitus Miracle, claims he has a natural holistic cure that can rid you of Tinnitus in just 2 months.

Thomas Coleman, according to his e-book, battled Tinnitus for 14 years and with strong research he came up with a 5 step method for curing tinnitus. His e-book is based on natural foods along with lifestyle changes that he says will get rid of Tinnitus for good. Thomas Coleman also claims using his method, you can dramatically reduce tinnitus symptoms in about 7 days.

Here's a peek at what you'll find in Tinnitus Miracle Thomas Coleman:

- Medications to avoid like the plague
- Foods to avoid if you do not want to make your Tinnitus worse
- What foods to eat to get Tinnitus relief
- A Supplement that can reduce Tinnitus in matter of days
- The one thing you should do today to get rid of Tinnitus

Tinnitus Miracle Thomas Coleman is a download-able e-book that shows readers how to cure themselves naturally of tinnitus without the use of surgery, drugs or auditory therapy. The author writes about empowering the mind and body to finally get rid of the noise in your head. Coleman says his e-book is the result of living with Tinnitus for 14 years and wanting to cure himself. He has done the research, he says, and put it into an easy to understand format that anyone can follow.

This holistic approach may serve as an alternative to costly surgeries and therapy to many. However, one should understand their options when treating tinnitus. Tinnitus Miracle, as presented by Thomas Coleman, is natural and safe alternative for curing Tinnitus.
