PGM Billing announced that John D. Bowlin has accepted the Company's offer to join its board of directors. The addition of Mr. Bowlin increases the number of directors on PGM's board to 5.

April 9, 2011 (FPRC) -- PGM Billing announced that John D. Bowlin has accepted the Company's offer to join its board of directors. The addition of Mr. Bowlin increases the number of directors on PGM's board to 5.

Mr. Bowlin brings over 30 years of managerial and operational experience to PGM. Most recently, he was President and Chief Executive Officer of SABMiller PLC. Additionally, he held several senior executive positions at Phillip Morris Companies, Inc., including Chief Executive Officer of Miller Brewing Company, President and Chief Executive Officer of Kraft Foods International and as Kraft North America's President and Chief Operating Officer, and President of Oscar Meyer Food Corporation. In addition to his role at PGM, Mr. Bowlin currently serves as a board member at a number of privately-held companies including Executive Advisor at CCMP Capital Advisors, LLC., Non-Executive Chairman of Pliant Corporation and Spectrum Brands and a Director of Generac Power Systems and Quiznos Subs.

"We are extremely fortunate to have John on PGM's board of directors and greatly appreciate his service to the company. PGM will benefit significantly from John's extensive leadership and operational experience at some of the world's largest companies. His innate understanding of what it takes to succeed will no doubt play a key role in helping PGM maintain and improve operational performance." said Albert Saviano, Chairman and CEO of PGM.
