

Phoenix Eye Surgeon Tariq Qamar, MD, Listed 'Top Doctor' in Phoenix Magazine

Dr. Tariq Qamar, a noted Phoenix LASIK and cataract surgeon, has been named a 'Top Doctor' in Phoenix magazine.

April 15, 2011 (FPRC) -- Phoenix LASIK and cataract surgeon Dr. Tariq Qamar has been listed as a 2011 'Top Doctor' in the April issue of Phoenix magazine. Widely recognized as a premier eye surgeon in Phoenix, Dr. Qamar is honored to have been selected as the region's authority in the field of refractive surgery.

Dr. Qamar was selected as a 'Top Doctor' through a peer-reviewed survey conducted by Phoenix magazine. Each year, in a random survey, more than 5,000 Valley physicians are asked to nominate one of their peers whom, in their judgment, is the most skilled in his/her respective medical field. And often the doctors are asked to provide a name of a physician whom they would trust to provide outstanding medical care to their loved ones.

In order to qualify for inclusion on the prestigious 'Top Doctor' list, nominees must be board-certified by the medical board governing their respective field. In addition, each nominee's name is verified through the state's medical boards to ensure absence of malpractice lawsuits or settlements. Only the best and most experienced doctors who are known for providing quality medical care qualify to be listed as a 'Top Doctor.' Due to his excellent skills, impressive credentials and outstanding bedside manner, it is no surprise that Dr. Qamar is listed as this year's 'Top Doctor.'

To learn more, pick up this month's Phoenix magazine 'Best Doctors' issue or contact Dr. Qamar directly at 480.661.1600.

More About Dr. Tariq Qamar

Tariq Qamar, MD, is a board-certified, fellowship-trained eye surgeon who has been serving the needs of laser vision correction and cataract surgery Phoenix, Mesa and Scottsdale patients for more than 15 years. He serves as the Medical Director of Q Vision, a state-of-the-art eye care facility staffed with an experienced and carefully assembled medical and surgical team.
