

## **Internet Video Magazine Adds New Funny Internet Videos, How To Articles & Book Reviews**

*The spotlight videos for April include Boop with Rose McGowan & Billy Zane - maybe the funniest web video of all time. You also have to watch the online interactive ad for Desperados Tequila Flavored Beer. It may be the best interactive internet ad ever!*

April 22, 2011 (FPRC) -- Internet Video Magazine (<http://www.internetvideomag.com>) today announced the April 2011 spotlight videos. See them all at <http://www.internetvideomag.com/BestVideosoftheWeek.htm>

The spotlight videos for April include Boop with Rose McGowan & Billy Zane - maybe the funniest web video of all time. You also have to watch the online interactive ad for Desperados Tequila Flavored Beer. It may be the best interactive internet ad ever!

April has been a great month for new articles and news items. In addition to lots of product announcements and news that came out of the NAB 2011 show, we have posted a bunch of new articles. Among the most interesting articles are:

- Professional Video Production book review
- Five Great New Camcorder and Video Accessories
- The Secrets of making online video and Internet video to promote your business
- Why Do Online Businesses Prefer Professional Video Hosting Instead of YouTube?

According to Mark Shapiro, editor in chief of Internet Video Magazine. 'We are always looking for good, informative articles that are of value to our readers - those that watch and make video. That includes those who make web video for fun, as well as those who are making online video for business and professional audiences. If you have an idea for an article feel free to pitch it to us at [editor@internetvideomag.com](mailto:editor@internetvideomag.com).'

Internet Video Magazine is re-launching our travel and destination sections and are looking for great web videos that spotlight hotels, destinations, resorts, or even videos of you and your friends having a great time someplace cool and beautiful. We don't want clips. We are looking for well produced video, with editing and good sound. Post it online and then send us the url and a description of your video and maybe a little bit of who you are and what it took to make the video.

Video makers and fans can submit videos for review and follow Internet Video Magazine at FaceBook <http://www.facebook.com/home.php#!/pages/Internet-Video-Magazine> and at twitter [@internetvideoma](https://twitter.com/internetvideoma)

About Internet Video Magazine (<http://www.internetvideomag.com>)

Launched in 1999, Internet Video Magazine is the only online publication that spotlights the best videos and Internet films and movies on the net, as well as the greatest web sites that demonstrate amazing creativity and skill regarding how they integrate video into the site.

Internet Video Magazine also provides a comprehensive resource for consumers; businesses and

video/media professionals who want to create and share their own internet video productions. This includes reviews of new equipment such as camcorders, video editing systems, computer and broadcasting solutions, software, etc. We also feature tutorials and how to sections geared to video creators of all types, from beginners to professionals.
