

## **MVP Loops Distributing DangaSonik Sample Library**

*MVP Loops is now a distributor for the DangaSonik sample library. DangaSonik is one of the new sample sound manufacturers on the market providing sample packs that feature five construction kits.*

April 29, 2011 (FPRC) -- MVP Loops has inked a deal with a new company called DangaSonik to distribute their sample sound library. DangaSonik is a sample sound manufacturer that aims to provide the modern music producer and beat maker with the very best sounds on the market. Their focus is on modern music loops and sample packs in the Hip Hop, RnB, Pop and Dance genres. New titles include Just dance: Electro Pop House, RnB Emotions, Ride Wit Me and Rep Dat West.

DangaSonik focuses on smaller sample packs with 5 construction kits. The formats include Midi, Acidized Wav's, REX and Apple Loops. These are the most used modern formats that are compatible with Garageband, Reason, Fruity Loops and all other major samplers. The sample packs are all Royalty free.

Donald Johnson, CEO of MVP Loops had this to say about the deal with DangaSonik. "DangaSonik is a fresh new company that produces great Hip Hop Loops in addition to RnB, Pop and Dance".

He added, "They focus on smaller packs and cater to the beginner producer and pro alike with the same excellent quality you've come to expect from a brand that's being distributed by MVP Loops. Look out for more hot titles from DangaSonik in the near future".
