

## **Green Home Cleaning Takes Sarasota by Storm**

*JoAnn Soloff announces the opening of Jo Jo's Cleaning Services of Sarasota, Fl. Their emphasis is on using only biodegradable, non-toxic, eco-friendly, cleaning supplies. Jo Jo's Cleaning Services specializes in Residential, Vacation Rentals, Offices, Move In - Move Out.*

June 1, 2011 (FPRC) -- Sarasota, Florida. This week a brand new cleaning service has opened its doors in Sarasota, Florida. Jo Jo's Cleaning Service specializes in cleaning residential properties, vacation rentals, offices and move in - move out situations.

JoAnn Soloff, founder and president, states, 'Our mission is to use only biodegradable, non-toxic, eco-friendly, cleaning supplies.

Ms. Soloff also is quoted as saying, 'Our services are the most friendly and aggravation free of all the cleaning companies available. We are without a doubt the most conscientious green cleaning service in Sarasota today!'

Jo Jo's Cleaning Services is dedicated to being a positive influence in the community. Their primary principle is that it is a genuinely green company that keeps toxins out both the clients' homes, offices and the environment.

This is important because on the average people spend about 90% of their time inside. A little of two thirds of that is spent at home. Those who are most susceptible to indoor conditions are children, the elderly, those with chronic health problems and the elderly. Much of this can be dealt with by employing green cleaning methods.

They customize their home and office cleanings to each specific situation and health need, and utilize only non-toxic, environmentally safe household products that are safe for health, home, and the planet.

Most importantly, they insist that they provide outstanding service to each and every client.
