

Personalized Stationery Company, Giftsin24.com, Adds Personalized Notepads To Product Line

Giftsin24.com recently increased its product line to include personalized Desk Slabs. The company's line of personalized stationery also includes personalized thank you notes, personalized napkins, sympathy cards and more.

June 14, 2011 (FPRC) -- AURORA, IL -- Giftsin24.com, a company that provides customers with personalized stationery, birth announcements and more, recently added personalized notepads to its product offerings. The newest product, a billboard desk slab, is a 6 by 6 inch, 300 sheet notepad that can be personalized in navy, black, red, mocha, fuchsia, tropic or purple.

The notepad comes in three different styles: the Billboard Desk Slab, the Crest Desk Slab and the Skyline Desk Slab. Customers can order a notepad with one line of personalization across the top, with an initial across the top and a single line or personalization on the bottom, or with a smaller name across the top and contact information at the bottom. Each version is available with or without ruled lines for better note taking.

Custom printed notepads are just one of the products available from Giftsin24.com. Other products include personalized cards, gift enclosures, corporate stationery, stationery sets and even gifts for children. The company also has a line of eco-friendly products made with 100% recycled paper that includes eco-friendly cards, notes, notepads, gift enclosures and thank you cards.

"A personalized notepad makes an excellent gift, whether you're shopping for office gifts, a graduation present or just because for a special person in your life. Our personalized stationery products help add a bit of professionalism to an office desk, or provide families with the perfect place for phone messages or other important communication. Personalized stationery is what we're passionate about and we're committed to providing our customers with the finest products available," said Dustin Baker of Giftsin24.com.

Giftsin24.com is a part of Embossed Graphics, a family-owned business that's been selling personalized stationery products since 1971. The company is known for its extremely quick turn around on personalized products and most items leave its printing plant in just 24-48 hours. Even with its fast turnaround, Giftsin24.com uses classic printing methods like embossing, foil stamping, lithography and raised thermography.

Although Giftsin24.com uses traditional printing methods, the company isn't satisfied with typical, old-fashioned products. The company's designers stay up-to-date on the industry's latest trends and technology. Giftsin24.com is constantly adding new products to meet customer demand.

"Whether you're jotting down notes for yourself or sending a thoughtful, personalized note to a friend, we know that quality matters. That's why we use the finest techniques to ensure our customers receive a finished product they'll be proud to use. If you're looking for a unique gift that's sure to be loved, visit our site at Giftsin24.com and see what we can create for you," said Baker.
