

ezCheckPrinting: Win-Win Deal Opens Check Writing Software For More Businesses

Seeing a need to increase ways for small businesses to boost efficiency during the prolonged recession, Halfpricesoft.com gives away check writing software and blank check paper for FREE through online special offer at <http://www.halfpricesoft.com>

July 8, 2011, Dallas, TX (FPRC) -- Realizing a prolonged recession means small businesses need more access to powerful tools to streamline management processes, Halfpricesoft.com (<http://www.halfpricesoft.com>) announces that ezCheckPrinting users can get the popular check writing software or blank check stock for free through TrialPay offer from halfpricesoft.com site.

Halfpricesoft.com develops highest-quality and affordable payroll tax software solutions which help keep business operations running smoothly and efficiently. Like other products from Halfpricesoft, ezCheckPrinting check writing software is simple and easy to use, handles all their check printing needs - including customized layouts - and is very affordable.

Designed with user's needs in mind, ezCheckPrinting lets small business customize check layouts, set-up and print checks quickly, and eliminates need for expensive pre-printed checks. This check writer software is highly popular with small to mid-sized corporations, government agencies, non-profits and financial institutions.

"It's a win-win-win-win situation: the customer gets free product, we make sales, the TrialPay advertiser makes sales, and TrialPay gets commissions. " said Dr Ge, the founder of halfpricesoft.com. "In a down economy, companies need to streamline and increase efficiency, so they can be more productive with every minute and every dollar. ezCheckPrinting can save user time and money. We hope more users can take advantage of this check writing software through this free offer."

ezCheckPrinting check writer software is available for free download from http://www.halfpricesoft.com/check_printing_software_download.asp. The main features of this MICR & laser check writing and printing software include:

- Import check data from .csv file for use with ezTimeSheet, Excel file, Quickbooks, Quicken, Microsoft Money, and other accounting software.
- Export check data within the specified date range
- Support for unlimited bank accounts
- Print checks on blank check stock or pre-printed checks
- Print signature image on checks
- Print logo on checks
- Edit check layout and customize company checks
- Easy to use reports
- Print in 3 popular formats: check on top, check in middle, and check on bottom
- Print multiple checks with one click
- MICR printing
