

## **Mallorca's Golf Courses Set to Be Busier Than Ever During 28 to 31 October 2011**

*Boasting some of the most famous and picturesque golf courses in all of Europe, Mallorca is renowned throughout golfing circles as one of those must-play destinations - particularly when the Autumn weather makes other countries too cold to play!*

August 3, 2011 (FPRC) -- This coming October will see the Il Golf Tournament Hotel Port Adriano head into town and with it will come hundreds of golf fanatics keen to play a round in short sleeves while most of the rest of Europe shivers. With that in mind hotel room booking website DirectRooms.com is advising visitors to Mallorca to book their Mallorca hotels early to avoid disappointment.

The Hotel Port Adriano is home to one of Mallorca's most prestigious golf courses, and its coastal location means that players get to test themselves against the local sea breezes as well as the fairways. The competition will be held between 28th October and 31st October this year and will see golf addicts from across Europe heading into town to take part.

In addition to offering players the chance to enjoy a fantastic golf tournament on a beautiful course, the Hotel Port Adriano also offers all the usual luxuries one would expect; following a hard day's golfing visitors can luxuriate in the hotel's spa, get a massage and enjoy a few 19th hole refreshments in the hotel's picturesque bar.

Lek Boonlert, marketing head at DirectRooms.com says: 'Mallorca's climate, with warm sunny weather even at the end of October, means that golfers absolutely love the place. As such this golf competition seems to be hugely popular, making advance booking of hotel rooms the smart move.'
