

## **Boost Businesses Productivity In A Difficult Economy With Employee Attendance Tracker**

*Small business software developer Halfpricesoft.com released a new version of its easy-to-use employee attendance and time tracking software ezTimeSheet that gives users more options for report needs. Free offer of 10-user version is available at [www.halfpricesoft.com](http://www.halfpricesoft.com)*

August 4, 2011 (FPRC) -- From saving time and money, to increasing security and convenience, the new edition of ezTimeSheet from Halfpricesoft.com (<http://www.halfpricesoft.com>) offers users numerous advantages on employee time and attendance tracking.

"HR Management is important for any business and organization; however employee time and attendance tracking can be very time-consuming. We believe small business should focus their time and energy on running their businesses, not trying to figure out how to run payroll software" explains Dr. Ge, President and Founder of halfpricesoft.com. "We intentionally engineered ezTimeSheet software for those end-users who are not professional accountants and HR expert, so small businesses can set up ezTimeSheet quickly and easily."

Known for affordability and ease-of-use, ezTimeSheet employee attendance tracking software was designed specifically for small business owners, non-profits and HR department managers. And the newly released update version is more powerful and user-friendly than ever.

The new edition include more flexible edit function, permission control, report feature and timesheet lock/unlock features, which will save user's time in payroll processing and tax reporting filing. User can download this new version free from <http://www.halfpricesoft.com/time-tracking-time-sheet-download.asp>, with no cost and no obligation.

"We found most software on the market were too complex and too expensive for small business owners," said Halfpricesoft.com founder Dr. Ge. "We believe small business owners should focus their time and energy on running their businesses, not trying to figure out how to run the HR software. We wanted to build something that was user friendly, super simple, affordable & totally risk free."

ezTimeSheet has an amazing array of features that make time-tracking and payroll tasks simple and easy, including:

- Easy-to-use graphical interface that allows employees to punch in and punch out via computer
- Automatic time tracking that automatically calculates gross payroll figures
- Automatic check for duplicate and overlapping time entries
- Administrator can enter and edit time data when necessary
- Administrator can add notes to individual time entries
- Flexible report features that are easy to use
- Export report data to Excel, PDF or image formats for analysis and sharing
- Export payment data to .CSV file for use with other software
- Separate password protection for administrator and employees
- Equipped for network access

- Backup feature to protect database
- Free updates

This employee attendance tracker available for risk free trial - No cost or obligation to download. Customers can test all the features and capabilities of ezTimeSheet with no time limit to be sure that ezTimeSheet will meet their needs before purchasing a license key.
