

Old Timer BBQ Gourmet Products Opening

Old Timer Rubs started in late sixties while catering what is called in the Carolina's a Pig Pickin' for family, neighbors and friends. Never happy with the commercially available sauces and rubs, I committed to creating my own barbeque sauces and rubs. Because of my perfectionist nature, this commitment to quality always included using the finest ingredients available. The same remains today. Now, we proudly offer what we truly believe to be the finest BBQ rubs on the market. Our rubs are used on Pork & Beef, Chicken, steaks, Hamburgers, potatoes, fries and veggies just to name a few.
