

New Travel Guide Published - Cozumel The Complete Guide II

Patricia A Holt a retired RN living in Cozumel has written the ultimat guidebook to Cozumel, Mexico. Learn from her experience of 11 years of visits and 4 years living on the island. Everything you need to know from A to Z and inbetween can be found in this guide. A perfect guide for singles, families, and those who scuba dive.

August 20, 2011 (FPRC) -- Cozumel, Mexico's most complete guidebook is now available in paperback and E-Book. E-Book formats are PDF, MOBI(Kindle), and EPub (Nook and most other readers). Check it out at www.CozumelTheCompleteGuide.com.

Included in the book are \$\$\$ saving coupons for shopping, dining, and even tours. You can save over \$100 learning to kiteboard, enjoy a free appetizer from a popular restaunt, free drinks, and more. The cost of the book is covered by your savings.

FurbysGina at Barnes and Noble says:

'A MUST HAVE for Cozumel Vacation'

'I was honored to be allowed to preview this book prior to publication. Yes I know the Author but I promise this is not biased.

No where else will you find the in depth information on lodging, dining, tours, etc that Patricia has put in this guide. I have been going to Cozumel it seems forever and this book listed places I had never heard of, even from local friends.

Do you need a dentist, doctor, or chiropractor while you are there? Check the chapter devoted to medical, banking, etc. Do you want to try a new Mexican dish to cook at your condo? There are several to choose from. How about a list of local Cantinas, Beach Clubs, and Night life...it is ALL in the book.

All I can say is this edition is way better than her first book and everyone loved that one too. Don't land in Cozumel without it.'
