

Georgia Realtor® Matthew Sipera Joins The Komar Team

Experienced Georgia Realtor® and Certified Distress Property Expert (CDPE), Matthew Sipera, joins The Komar Team and Results Realty Services which was the number one real estate office in Forsyth County in dollars sold for 2009 and 2010.

August 24, 2011 (FPRC) -- Matthew Sipera, a licensed REALTOR ® and a Certified Distressed Property Expert (CDPE) with multiple years experience in buying homes in Georgia and working with families who find themselves impacted by sensitive or complicated life circumstances that has led them to feel that their only option is foreclosure, has joined The Komar Team which is part of Results Realty Services. As a Certified Distressed Property Expert (CDPE), Matthew Sipera has used his thorough understanding of complex issues in today's challenging real estate market to help families understand and explore all their options when selling their home using the short sale process.

The Komar Team's office is in Cumming Georgia and the team works with buyers and listing clients along the GA 400 corridor. Matthew Sipera and the other agents on The Komar Team specialize in, but are not limited to, serving clients in the Atlanta Metro area from North Atlanta up to Lake Lanier located in, Roswell, Alpharetta, Johns Creek, Cumming, Suwanee, Duluth, Buford, Lawrenceville, and Gainesville.

Results Realty Services provides many resources to home buyers through The Komar Team including a relocation network, multiple web sites, and technology tools to analyze market data trends. Results Realty Services was the number one ranked office in Forsyth County for Dollar Volume Sold in 2009 and 2010 with The Komar Team as top sales volume agents driving Results' volume and growth.

The Komar Team manages and maintains an average of 50-70 listings every month including traditional re-sales, foreclosures, investment properties, short sales, and new construction and was recognized by the 400 North Board of Realtors as the Top Producing Volume Team in 2007, 2008, 2009, and 2010. The Komar Team utilizes internet technology including the web site Buy A Home In Georgia and social media such as Facebook, YouTube, and LinkedIn. The Team's primary strategy, however, continues to be building and maintaining successful relationships with past clients and new prospects.

Matthew Sipera describes why his relationship with The Komar Team is beneficial for Georgia home buyers, "The resources of The Komar Team will allow me to expand my coverage to more potential buyers and sellers. After years of success helping buyers find their perfect home, becoming a part of a larger and more prominent team is a natural progression. I am extremely excited about the positive impact we can make in the Georgia Real Estate industry."
