

Hedging Plants Nursery Open House This Weekend

Hopes Grove Nurseries are pleased to announce their annual open weekend is to take place this coming weekend.

September 26, 2011 (FPRC) -- The open weekend starts on Friday 30th September and runs on to Saturday and Sunday 1st, 2nd October. 9am-5pm each day.

The nursery is only open to the general public on the above three days. All other visits by prior appointment only.

Hopes Grove Nurseries is the largest specialist grower of hedges and hedging plants in the UK, with over 70 acres of hedge plants in production. They have the widest selection of varieties and sizes available anywhere.

Hopes Grove sell economical bare rooted hedging and larger rootballed hedge plants where instant effect is important. Pot grown hedging plants are suitable for planting all the year round and come in many sizes. For ease of reference the main groups of hedging plants may be found on the left hand menu or images below.

To keep all their prices low, they only sell hedge plants direct to the end user, delivering to many thousands of customers nationwide. Their hedging plants come highly recommended by keen gardeners, designers, landscapers, farmers and columnists.

Hopes Grove are very pleased to be awarded the Gardening Which best buy for both native and garden hedging plants. All the plants sold are covered by the Hopes Grove guarantee and prices already include vat.

You can order online, but if you have any questions or comments Hopes Grove Garden Hedges would love to hear from you. Their sales staff have worked outside on the nursery, so have the plant knowledge to answer questions or will be very pleased to take your order by telephone if you prefer.

For further information on all the hedging plants offered by Hopes Grove visit <http://www.hopesgrovenurseries.co.uk>
