Gary Kovner, General Manager of Motobuys, announces that MotoBuys now carries official NFL licensed team motorcycle helmets for all 32 pro football teams.

October 10, 2011 (FPRC) -- Motobuys General Manager, Gary Kovner, announced today that MotoBuys.com is now carrying NFL licensed team motorcycle helmets in adult sizes. The NFL motorcycle ½ helmets contain the team logo in exact NFL approved colors for all 32 NFL franchises.

Motobuys.com is one of the first online motorcycle stores to offer the NFL motorcycle helmets. Gary Kovner explains why he is so excited about the newest addition to the Motobuys helmet collection. "I learned about these helmets in the spring and made sure we got them as soon as they were available. I know that many riders love to show their team colors proudly and now they can show team loyalty while they ride."

The NFL team motorcycle helmets are DOT approved adult ½ helmets with a fiberglass shell, EPS safety liner, and plush padded interior for a comfortable fit. These helmets have a front visor, adjustable air vent, and weigh two pounds. They also come with a pair of quick-install Velcro-fastened earmuffs to block cold and sound and a draw-string protective carry-bag.
