

Remodeling Magazine Picks Naperville Window Replacement Company, Opal Enterprises As 'Top Remodeler'

Opal Enterprises has been chosen as a 'Top Remodeler' by Remodeling Magazine. The Elmhurst siding contractors are known for home improvement services such as window replacement, siding and roofing in Downers Grove and Western Chicagoland.

October 13, 2011 (FPRC) -- NAPERVILLE, IL -- Leading industry trade journal, Remodeling Magazine has chosen Naperville window replacement company, Opal Enterprises as one of the 'Top Remodelers' in the nation.

The Hanley Wood publication featured the Downers Grove siding experts, Opal Enterprises as one of its top picks for a remodeler in the 'Replacement Contractor' category in its August 2011 issue. The journal's annual list is a collection of the country's largest home improvement companies.

"We love reading trade publications at the Opal office and as we were going through the August issue we were shocked to find our company listed along with some of the best home improvement companies in the country. The news was a complete surprise to us and we are so excited and proud of being featured in Remodeling Magazine!" said Tara D. Opalski, Marketing Manager for Opal Enterprises.

While reviewing the top replacement contractor businesses in the nation, Remodeling Magazine makes a special mention of the various challenges these businesses have to face. It says, being able to rapidly turn around a project is crucial to achieving success in the industry. Opal Enterprises faces up to this challenge by providing its customers quick and hassle-free replacement contractor services.

The company is a leading provider of home improvement services in the western Chicagoland area. The company provides quality and cost effective 'R&R' (Remove and Replace) services to help homeowners improve and upgrade their windows, doors, roofs, gutters or siding.

"The staff at Opal works so hard at providing quality services to make sure we are pleasing our local market. To receive recognition for our work from a national trade publication is an amazing affirmation that our customers are happy and we really couldn't ask for more," concluded Opalski.

At present, Opal Enterprises' services are available to customers in the western suburbs of Chicago. However the company has long term plans to expand to a second location in order to offer its services to a larger client base. Being featured in the Remodeling Magazine is another confirmation of the company's continued growth and is a nudge in the right direction.

The company's website offers detailed information about its various services including photographs of previous projects. Customers can request a quote by using a simple online form on the Elmhurst siding contractors' website. The website also features a homeowner's support section which includes a blog discussing various home improvement topics as well as important topics such as care and maintenance of a newly remodeled house, financing, manufacturers' warranty and more.
