

Mercedes Vito London Taxi Servicing in Essex Launched

A Mercedes Vito repair and service is available in Essex by MotorAid Ltd.

October 14, 2011 (FPRC) -- Based at their servicing centre in Essex, the Vito service offers a high quality and cost-effective solution for taxi-drivers in the Essex and London areas. The service is offered as a 'while-you-wait' service which means that service times have a fast turnaround and enables taxi-drivers to spend as little time as possible off the road.

The Vito service uses the latest Mercedes Star diagnostic computer equipment that quickly locates existing and potential problems and the system has a direct communications link to the Mercedes factory in Milton Keynes. This allows quick analysis and resolution of problems so that they are able to be fixed quickly.

All of the Vito servicing and repairs are carried out by MotorAid's Mercedes trained team of technicians.

As well as offering a comprehensive and high quality Vito Servicing in Essex and London, MotorAid Ltd also offer additional Mercedes Vito services including engine tuning , exhaust systems, air conditioning service and regas, MOTs and replacement tyres and batteries. They also only use Mercedes Vito Original Equipments part and recommended Vito lubricants and provide a 12 month manufacturer parts and labour guarantee on all work that is carried out.

Simon Croft, Director at MotorAid Ltd, said 'The Mercedes Benz London Vito Taxi cab has been a huge success. The new 639 chassis taxi cab has rear wheel steer and a side step that we have the technical capability to maintain. Our technicians are fully Mercedes trained, we carry a large range of genuine parts in stock and we operate the Mercedes Benz STAR diagnostics Compact 4 system.'

'We aim to offer exceptional value for money and a rapid turnaround time for all the Vito London taxi cab drivers.'

Vito servicing and repairs start from £18.81 including VAT.

MotorAid Ltd has been operating for over 15 years and has established a strong clientele including individual car owners, commercial vehicle owners and fleet owners. They are approved by most major lease companies for servicing and repair. They also offer Audi and VW service and repairs, Mini service and servicing for Smart Car, Mercedes and BMW cars in addition to vans and commercial vehicles. The company also offers servicing and repairs for camper vans and motor homes.

MotorAid Ltd is Trading Standards Approved through the 'Buy with Confidence' scheme and the company has won Basildon Council's prestigious 'Best Business to Business Company 2010' award.
