October 17, 2011 (FPRC) -- The ROMHOTEL exhibition is an international exhibition of furniture, architecture and equipment and this is the 19th exhibition organised by ROMHOTEL for the catering industry. All areas of the hospitality industry will be catered for at the exhibition, from furnishings to kitchen equipment and hygiene products. In 2010 over 100 exhibitors had stands at the exhibition and over 8,000 visitors attended. The organisers describe the exhibition as the most important of its type in Romania.

The ROMEXPO Bucharest Exhibition Centre is a huge complex and has an internal exhibition space of 55,000 square metres. The Exhibition Centre is in the centre of Bucharest and visitors to this popular ROMHOTEL exhibition are recommended to book a room in a hotel in Bucharest City Centre in order to thoroughly enjoy the event.

Bucharest is the capital of Romanian and is situated in the south east of the country. Transport links in the city are very good and there is a widespread public transportation network.

The city also boasts two international airports, and trains and roads link the city with the rest of Europe. Bucharest is famous for its theatres and concert halls, and visitors to ROMHOTEL may like to unwind in the evening either watching a play or listening to the world class Romanian Philharmonic Orchestra.
